+ This model is discontinued in production

\* This engine is no longer available - for short block order Briggs & Stratton P/N 399021

\*\* This engine is no longer available

† Engine without muffler. Replacing A04 will require reusing old muffler or use Muffler Kit #5013-9

†† This engine has a flange mount engine pulley

▲ Micro-V Blower Pulley Kit (P/N 7238-5) is required when replacing an MT20 engine prior to S/N 01-52900

^ First EFI Spec using a metal ECU

^^ First EFI Spec using a plastic ECU

^^^ Same as 78516 EFI Spec using a Delco Starter

^^^^ Same as 78521 EFI Spec with in-line fuel pump

**NOTE:** Always check model, Spec#, and S/N on engine. It is recommended to verify Spec# with the engine manufacturer before ordering replacement parts or replacement engine.
